

Numeracy

We will be developing our understanding of place value further and learning about addition, subtraction, multiplication and division and developing our skills further in these four operations through problem solving. We will be spending a big proportion of this term learning about fractions.

Literacy

We will be reading *Charlie and the Chocolate Factory* and will be using this novel to inspire our writing through a number of different forms, such as stories, letters and diaries. There will also be a big focus on non-fiction this term and advert writing for our own chocolate brands.

Topic

We will be learning about the Maya civilization, the history of chocolate and Fair Trade.

Throughout this topic, we will be creating our own chocolate brand with a large focus on packaging, 3D nets, marketing, advertising and finally... creating our own chocolates to go inside our carefully designed packaging!

Our topic in the Otter Class
this term is '**Chocolate.**'

Science This term we will be focussing on 'states of matter'. The children will learn about solids, liquids and gases and experiment with changing states.

Art

We will be learning about Banksy and the motivations behind his artwork. We will be using stencils to create our own artwork inspired by his own.

French

This term we will be learning about how to talk about food in French and ordering in a restaurant.

Computing

We will be learning about the internet safely, focussing on effective ways to search for information.

RE

We will be learning about stories of Christianity.

PSHE

Our PSHE this term will focus on healthy eating.
